A Students Examination Committee has been formed vide resolution number 02 in the college council meeting held on **13/08/2021**.

Examination Committee has been constituted for all internal examinations conducted in our institute. The internal Examinations are carried out by Examination Committee of College in prescribed manner as stated in guidelines disclosed by affiliating university. In Addition to that the institute is keen to conduct continuous internal evaluation in time bound manner. The class tests, unit test and common progressive Test were organized to evaluate students' progress by the examination committee of the college. The evaluation of this examination is carried out by respective subject teacher. Other than this faculty level student evaluation was made by respective class in-charges and subject teachers.

The grievances related to the internal examination were collected and entertained by the Student Redressal Committee and if needed the principal of the college will take part to resolve the issues. In the last year there were no serious issues were reported by the redressal committee regarding the internal examination. The institute has inadequate human resource for smooth conduction of internal examinations as well as the poor internet connection create hurdles in speedy work. Mentor mentee Scheme of the college also engaged in addressing the grievance of students raised due to internal evaluation such as late submission of seminar, home assignment etc. Mentors treat individually to students regarding quires raised by them. The internal evaluation carried out without hampering regular classes and other curricular activities.
