NATIONAL CADET CORPS

CORONA WARRIORS

Date: 27/04/2020 to 03/05/ 2020 Venue: Bank of Maharashtra & State bank of India

Participant: NCC Cadets

Objectives:

- To provide support to civilian authority to minimize panic of corona pandemic.
 - To follow one of the aims of NCC for developing the ideals of selfless service among youth of country.
 - To fulfill human resource by providing trained and motivated NCC cadets.
 - To create a civic sense among the cadets.
-

Program highlights:

The worldwide wave of Covid 19 created a threat of extinction all over the world. All the civil administrations seemed to be helpless before Covid 19. The pandemic drastically changed the priorities of civilian authority. The major concern of the state and central government in India was to ensure the safety of each citizen by implementing and adopting SOPs provided by ICMR. Managing and preventing the spread and infection of virus was one of the basic aims during this crisis period. All the resources of private and governmental agencies were engaged in serving the nation during this period. However the administration needed excess human resource to manage mob at different public places as social distancing was one of the most important prevention. The second wave of Covid 19 pandemic found to be more disastrous especially in Maharashtra State. The Buldana district was declared hotspot of corona infection during this second wave. In such critical situation, NCC Coy of our institute stepped out to help civilian authority by extending its services under a program called “Exercise NCC Yogadan”. 13 MH BN NCC Khamgaon received a requisition from the District Magistrate (DM) of Buldana regarding the provision of NCC cadets for managing mob at different locations so as to maintain social distancing.

Corona pandemic had put significant pressure on our resources; scarcity of required human resource is one of important aspect during this period. To overcome this situation, different stakeholders, NGOs and social agencies raised their hand to support

the civilian authority. The NCC unit of our college responded to the call of District Magistrate and stepped out to render its duty. During this pandemic situation there is a need of human resource to carry out different activities such as distribution of relief material, medicines, food, essential commodities, community assistance etc. Institute's NCC unit received a telephonic request from Commanding Officer of 13 MHBN NCC, Khamgaon for the deployment of NCC Cadets as Corona Warriors in the Sangrampur Tehasil. So After receiving the request the institutional head of NCC communicated with tahesil office of Sangrampur for deployment of NCC cadets. As per the instructions given by the tahesildar institute provided the list of cadets which are available for the deployment. Institute has 60 senior division cadets, out of them 10 cadets have agreed to participate in this activity. The deployment of cadets by the institute as per the directions of Sangrampur taluka magistrate was done. The cadets were deployed in Maharashtra bank and state bank of India branch Sangrampur engaged in maintaining social distancing and in crowd management. Both the bank branches have appreciated the commendable work done by the NCC volunteers of institute and entitled them as corona warriors. The institute admires the efforts of our NCC cadets who continuously did their work from 27th of April to 3rd May 2020.

Challenges:

The biggest challenge before the institute is to save themselves from being infected during performing their duties. To address the above said issue the ANO of our institute have carried out a training program of these volunteers in institute's seminar hall before being actually deployed. Second most important challenge while making this initiative is that to develop understanding about the work which to be done. Another important challenge before us while designing this as best practice is to ready NCC cadets for this volunteerism.
