Academic calendar is prepared at the beginning of every academic year. The departments prepare their departmental academic calendars. The head conducts a departmental meeting at the beginning of academic sessions to distribute the syllabus according to the choices and expertise of the teachers. The teachers prepare their teaching plans and maintain academic diaries. The teaching plans and COs, POs are communicated with students. The students' performances are assessed through continuous internal evaluation (CIE). based on the CIE, the students are counseled by concerned teachers. The exam results are displayed on the notice board. The students can register their exam related grievances with the internal grievance committee. Along with the regular feedback the head of department collects oral feedback from students. The records of the activities are maintained by the IQAC. The results of university exams are analyzed and the outcomes are discussed in the annual CDC meeting.
