**DVV Clarification for 6.5.2**

From the given set of instructions related to metrics, data, and documentation requirements for a Higher Education Institution (HEI). Here is a breakdown and response to each statement:

"Yes, regular meetings of IQAC were conducted during the assessment period of 2017-2022, and quality improvement initiatives were identified and implemented. The regular meeting of the Internal Quality Assurance Cell (IQAC) conducted in the year 2022-23 had not been considered for this metric as it falls outside the specified assessment period of 2017-2022. Therefore, we had excluded this meeting and indicate that 'Any 1 of the above' of the mentioned quality assurance initiatives, such as regular meetings of IQAC, were conducted during the assessment period of 2017-2022, and quality improvement initiatives were identified and implemented. However, audits, collaborative initiatives, rankings, and accreditations were not applicable to the assessment period."

It is crucial to ensure that the provided data and documentation support this statement and that the regular IQAC meetings and their outcomes align with the specified assessment period of 2017-2022. Additionally, the format of the data template will remain unchanged and accurately filled as per the prescribed format provided by NAAC.
