Program highlights

The Workshop on Research Methodology and Intellectual Property Rights (IPR) organized by the Science Faculty at Arts & Commerce College, Warwat Bakal, on February 28th, 2024 on the occasion of national science day, aimed to impart essential knowledge and skills to undergraduate and postgraduate students from various colleges, as well as staff members, in the domain of research methodology and IPR. Dr. Shriram Yerankar, Principal of Arts & Commerce College warwat Bakal was chairperson for this workshop. Dr. Shinde, a distinguished expert in the field, served as the resource person, bringing a wealth of experience and expertise to the event. The workshop consisted of interactive sessions, presentations, and discussions focusing on two main themes: research methodology and intellectual property rights.

1. Research Methodology

Understanding the basics of research: The session began with an overview of the research process, including defining research objectives, formulating research questions, and selecting appropriate methodologies.

2. Research design and data collection: Participants learned about different research designs, such as experimental, observational, and survey research, along with techniques for data collection and analysis.

3. Ethical considerations in research: Dr. Shinde highlighted the importance of ethical conduct in research, discussing issues such as plagiarism, informed consent, and data management.
4. Hands-on exercises: Practical exercises were conducted to reinforce the concepts discussed, allowing participants to apply research methods in real-world scenarios.

5. Intellectual Property Rights (IPR)

Introduction to IPR: Participants gained insights into the various forms of intellectual property, including patents, copyrights, trademarks, and trade secrets, and their significance in protecting creative and innovative works.

6. Patenting process: Dr. Shinde elucidated the process of patenting inventions, from filing patent applications to obtaining patents, and discussed the importance of patent searches and patentability criteria.

The workshop attracted a diverse group of participants, including undergraduate and postgraduate students from various colleges, as well as staff members interested in enhancing their research skills and understanding of intellectual property rights. The interactive nature of the sessions facilitated active participation and engagement, fostering a conducive learning environment. The Workshop on Research Methodology and Intellectual Property Rights organized by the Science Faculty at Arts & Commerce College, Warwat Bakal, proved to be a valuable learning experience for all participants. Dr. Shinde's expertise and insightful presentations equipped attendees with essential knowledge and practical tools to conduct research ethically and navigate the complexities of intellectual property rights effectively. The event contributed to fostering a culture of research excellence and innovation within the academic community.

DATE : 07/08/2023

DAY : MONDAY

VENUE : SEMINAR HALL OF ARTS & COMMERCE COLLEGE
WARWAT BAKAL

ORGANIZOR : IQAC & SDC

PARTICIPANTS : TEACHERS & STUDENTS

OBJECTIVES:

The main purpose behind organizing this "NEP & UG CBCS SYLLABUS WORKSHOP AT UNIVERSITY LEVEL", was to create awareness and to acquaint the teachers & students about the visions, objectives of India's new education system National Education Policy 2020 & new CBCS syllabus implemented by SGBAU. The New Choice-Based Credit System (CBCS) syllabus is a key component of this reform, designed to provide students with flexibility, autonomy, and a more holistic learning experience. In this workshop, keynote speaker delves into the key features and implications of the NEP and New CBCS syllabus. Participants will explore the opportunities and challenges presented by these reforms and discuss strategies for effective implementation.

Objectives of this workshops are as under:

1. To understand the key provisions and principles of the National Education Policy (NEP) 2020: Participants will gain insight into the policy's vision, goals, and strategies for transforming India's education system.
2. To familiarize participants with the New Choice-Based Credit System (CBCS) syllabus: Participants will learn about the structure, design, and benefits of the new CBCS syllabus.
3. To discuss the implications and challenges of implementing the NEP and New CBCS syllabus: Participants will engage in discussions and sharing of best practices to address the

challenges and opportunities presented by these reforms.

4. To develop strategies for effective implementation of the NEP and New CBCS syllabus: Participants will work together to identify practical solutions and action plans for implementing the reforms in their respective institutions.
5. To facilitate networking and collaboration among educators and stakeholders: Participants will have opportunities to connect with peers, share experiences, and build partnerships to support the successful implementation of the NEP and New CBCS syllabus.

KEYNOTE ADDRESS:

SPEAKER 1:

Dr. Santosh Bothe (M.Sc., Ph.D.)

Principal, Saraswati College

Sadhana Shikshan Mandal, Shegaon.

ABSTRACT OF Dr. Santosh Bothe (M.Sc., Ph.D.), LECTURE:

Principal Prof. Dr. Santosh Bothe emphasized that the National Education Policy (NEP) 2020 aims to bridge the gap between junior and higher education, fostering skill development and employability in students. This wide-ranging policy marks a important milestone in India's educational journey, prioritizing all-inclusive education and learning outcomes.

NEP 2020 seeks to transform India's education system, making it more inclusive, equitable, and holistic. The policy's key provisions and principles focus on reforming school and higher education, with a vision to create a vibrant knowledge society. Further in his speech he said that NEP 2020 will have an universal access ensuring universal access to school education, from preschool to secondary level, with a focus on inclusivity and equity.

He also said that this policy will be promoting holistic education and learning outcomes, with an emphasis on developing 21st-century skills. NEP 2020 is introducing flexibility and autonomy in education, with a focus on choice-based learning and multidisciplinary approaches. UG programs will have three or four years to run, with multiple points of entry, exit, and re-entry. Research Opportunities: Students will have the opportunity to pursue research projects in their major subject of study, with the possibility of receiving research credits. The policy emphasizes the promotion of Indian languages, culture, and values, with a focus on building a more robust and responsive education system.

Overall, NEP 2020 aims to create a more inclusive, equitable, and holistic education system, with a focus on developing 21st-century skills and promoting Indian languages and culture.

SPEAKER 2:

Prof. Dr. P. E. Ajmire

M.Sc. (Phy.), PGDCS, M.S.(Soft.Syst), M.Phil.(CS), Ph.D.

Head of Department of Computer Science and Application

G. S. Science, Arts & Commerce College, Khamgaon

ABSTRACT OF PROF. Prof. P. E. Ajmire LECTURE:

In his PowerPoint presentation, Prof. Dr. Prof. P. E. Ajmire began by stating that the New Choice-Based Credit System (CBCS) syllabus marks a significant shift in India's higher education landscape. It is designed to provide students with flexibility, autonomy, and a more holistic learning experience, the New CBCS syllabus aims

to foster academic excellence, critical thinking, and skill development. Further he outline the following key components of the new CBCS syllabus.

Choice-Based Credit System: Students can choose from a range of courses, allowing them to tailor their academic program to their interests and career goals.

Credit-Based System: Students earn credits for each course they complete, providing them with flexibility and autonomy in their academic journey.

Holistic Education: The New CBCS syllabus emphasizes the development of 21st-century skills, including critical thinking, problem-solving, and communication.

Skill Development: The syllabus places a strong emphasis on skill development, preparing students for the demands of the modern workforce.

Then he stated followings are the benefits of the New CBCS Syllabus implemented by SGBAU:

Flexibility and Autonomy: Students have the freedom to choose their courses and tailor their academic program to their interests and career goals.

Improved Employability: The New CBCS syllabus prepares students with the skills and knowledge required by the modern workforce.

Enhanced Academic Experience: The syllabus provides students with a more holistic and engaging academic experience, fostering academic excellence and critical thinking.

Overall, the New CBCS syllabus represents a significant step forward in India's higher education landscape, providing students with the flexibility, autonomy, and skills required to succeed in this era of stiff competition.
