Central Library

Library plays a pivot role in the educational development of the college. Our college library is established in the year 1994. It is marching in consonance with the increasing strength of students. Of course, due to non-availability of Government grant and UGC assistance for the purchase of books, it works within the range of available finance collected through fees alone. Presently the library has more than 9227 books and a number of journals and periodicals. There is a separate building of the library having built up area of 5328 sq. feet. It consists of competitive forum room, spacious reading hall, Stock room, newspaper reading room.

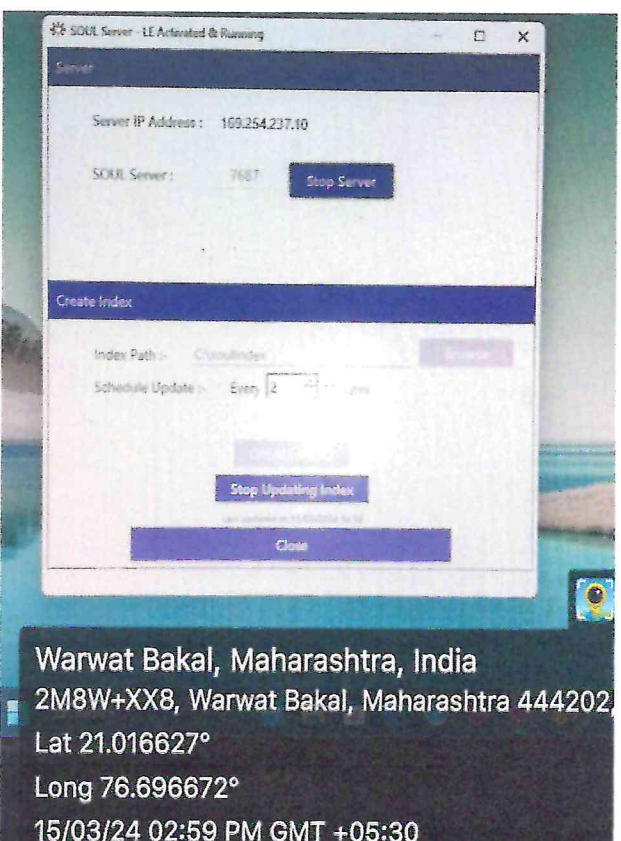

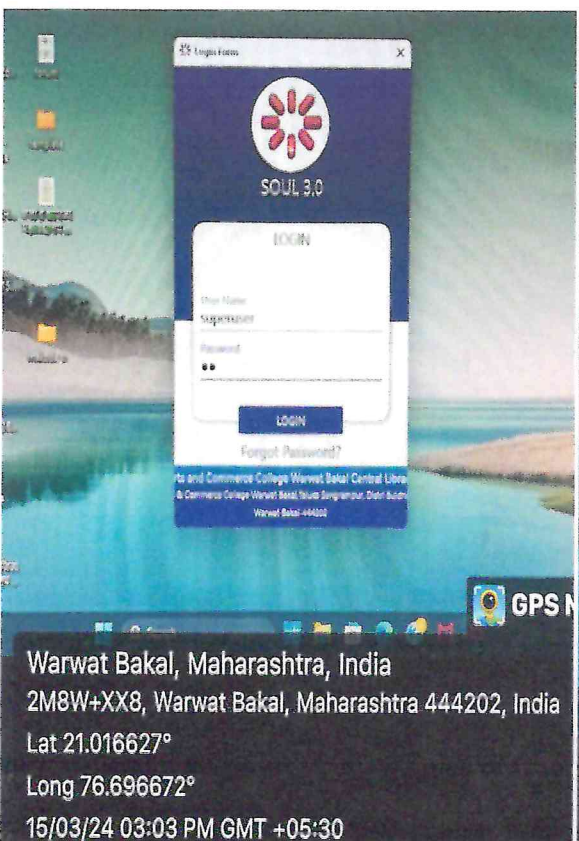

The Library Advisory Committee meetings are held regularly to discuss and decide policy matters, administration and modernization of library, purchase of books, annual budget and general discipline in the library. The students who seek admission in the college for various courses visit the library. After the verification of admission receipt, students are enrolled as the member of the library and are issued borrowers' ticket. The books are issued to the students on producing the borrowers' ticket. Free access to library is provided to the staff members; whereas students get library services at the counter itself. Issuing of books is done during the morning session i.e. 10.30 a.m. to 5 p.m.

The library committee meets at regular intervals and discusses about the current titles, important journals and other reading materials to be added to the library. The librarian places the recommended books and journals before the LAC for approval and LAC forwards the proposal to the principal for approval and further action.
