## **C: ACTIVITIES THAT ARE SUCCESSFULLY IMPLEMENTED BASED ON THE STRATEGIC PLAN**

### **ACTIVITIES THAT ARE SUCCESSFULLY IMPLEMENTED BASED ON THE STRATEGIC PLAN**

For any institution, strategic planning is indispensable to accomplish the Vision, Mission, and Core Values. Strategic planning is unending processes with an exact focus on achieving college goals in this stiff competition era. Over the past two decades the college has shown tremendous growth. If college branding has to be upgraded, strategies must be formulated, communicated and implemented effectively, only then the college will be upgraded or will become one of the top most college.

The long term & short-term goals of college are discussed, defined and guided by the management, principal, HODs, faculty, non-teaching staff, and students. College always implements the plans and policies with a strategic directive given from the top administration management. Following are few activities that are successfully implemented based on the strategic plan for the development of the college.

- An Internal Quality Assurance System and CDC are constituted to monitor the procedures and maintain quality of the procedures, to oversee the process of compiling the internal assessment, and activities in the college.
- Subject teacher of each department under the able guidance of principal, checks and moderates the internal assessment of the students before uploading marks to the SGBAU evaluation software.
- Time table committee evaluates the time tables and work load of each department.
- Various Committees that are constituted by principal in academic council meeting monitors, controls and evaluates the academic working in the college.
- Results are discussed in detail at the meetings with HOD in LMC. Result analysis at LMC leads to action plans and improvement strategies, which are implemented by every department in college.
- Apart from the routine upkeep and maintenance of the existing building, the college-built building from available area to accommodate more laboratories, staffrooms, computer lab, board meeting room and staff rooms' etc.
- Each stream conducted Orientation program successfully.
- Extension activities were carried out through NCC and NSS.
- Online educational resources such as N-list & Soul facility are made available to students.

- The new prescribed books / reading materials for courseware are made available in the library.
- Guest lectures, extra classes and remedial classes are scheduled, if required, by the individual department.
- Feedbacks of students are taken to improve and upgrade performance of the teachers and
- Continuous monitoring is done in department meetings to ensure that the policies are implemented and time lines are followed.

Thus, it is clear that the college has made a concerted effort to reach out to various sources and sectors to carry out the above-mentioned activities as outlined in its Strategic Plan, and has been successful in implementing for overall betterment of the college.

## D: PERSPECTIVE PLAN

After analyzing the internal and external environment, the following plans are projected after a discussion on the basis of analysis, assessment and estimates.

### Strategic and perspective plan

1. Establishing effective teaching learning process.
2. Developing and following practices of decentralization and participative management
3. Establishing Moderation and Internal Assessment Committees.
4. Ensuring student's development and participation.
5. Developing alumni interaction and participation.
6. Ensuring skill development and add on courses. The college plans to increase remedial classes and introduce short term courses for students, which shall supplement their graduation and make them employment ready. Language and communication skills and soft skills development courses shall start soon.
7. Each stream will conduct Orientation Program for all new students to briefed about the values and functioning of the college as well as their role in it.
8. Promoting research and development work among teachers and staff members.
9. Carrying out extension activities through NCC and NSS.
10. National and international conferences shall be organized in different disciplines and on inter- disciplinary themes.

### IQAC PERSPECTIVE PLAN (2023-2024)

Head	Action Plan
Planning and Development	The Vision and Mission Statement is uploaded on the college website. Further Institutional-Procedures-and-Policies file is uploaded on the website. The College has adopted the policy of e-correspondence and information of its policies, decisions and notices for its staff and stakeholders through Whats app group. The IQAC uses Whats App group and email account for communication with the staff members. As an institutional strategy, it has been made mandatory for all the departments, committees and cells to submit their annual planning and reports in soft formats and hard copies.
Curriculum Development	Curriculum is designed by SGBAU. Enhancement of curriculum is done through value added certificate courses, projects, etc
Teaching and Learning	Whats App group for teaching purpose where formed. ICT enabled teaching is enhanced and development of utilizing online tools is promoted among teachers.
Examination and Evaluation	Online and offline mode of examinations were conducted

	by examination committee to evaluate the performance of students so that drops out ratio will be reduce.
Research and Development	Ensuring participation of Faculty members in research activities like conference and journal publications. Research Committee maintains data of registered researchers, supervisors, research centers, developmental research workshops undertaken, data related to publications in conferences and journals, awards received etc.
Management Information System	For efficient and effective administration, the college has procured College Automation Software (CAS). At the initial stage CAS has independent modules for administrative tasks like Admissions, scholarships, students' data, account and finance etc. The CAS ensures that number of papers used for printing and storing data and info is limited. Operational Modules: • CAS Office • CAS Payroll • CAS Admissions •CAS Account
Library, ICT and Physical Infrastructure / Instrumentation	The process for library automation has been started by making Soul and N-List library facilities available to students to make their learning convenient and knowledge up-gradation. Apart from the routine upkeep and maintenance of the existing building, the college-built building from available area to accommodate more laboratories, staffrooms, computer lab, and staff rooms' etc.
Human Resource Management	IQAC and Senior faculty member encourages new staff members to attend Online Professional development programmes and also conducted workshop for non-teaching staff.
Students Admission and Support	The admission procedure and other details are recorded and maintained through College Automation Software. Students Whats App group for teaching and learning purpose where formed
Finance and Accounts	The College has a separate module for the tasks falling under finance and accounts. The reports regarding Receipt payment, Daybook, Ledger etc. are generated by the system. It is maintained by Head clerk who acts as an Accountant also. Head clerk is responsible for the preparation of draft accounts to be audited. After consultation of Principal, he submits draft account statements to Auditor appointed by the Management and gives necessary inputs to settle it in the proper manner.
Community engagement	The college has an active NSS wing, Women Development Cell, Anti Raging Committee, NCC, and NSS, bodies are appointed in staff council every year. New students join these bodies every year and activities are organized all year round to encourage engagement with the community.

**E: ONE ACTIVITY THAT WAS SUCCESSFULLY IMPLEMENTED BASED ON THE STRATEGIC PLAN WAS CONDUCTION OF CERTIFICATE COURSES FOR STUDENTS TO DEVELOP AND STRENGTHEN THEIR CAREER SKILLS.**

Certificate programs were designed with a view to develop and strengthen specific career skills of the students. Courses were designed in such a way that students can learn more about what they can study in a degree program. These certificate programs are considered as a continuing education because they build on students' knowledge of a particular subject. It also helps students to showcase their competency, commitment for the profession, build expertise in their professional subject area, and helps to increase their job seeking skills. These courses provide in-depth knowledge of the subject needed to perform a task efficiently and provide a wide range of skills to a student so that they can perform well when dealing with complex situations while performing their duties at a job or task. The curriculum of these courses is designed in such a way that it includes all practical skills to be used at the workplace. When students have prior knowledge of their subject area, it will help them to perform much more confidently and efficiently at work. To implement this strategy, the IQAC coordinator had instructed the coordinators of these courses to start these courses and for that necessary arrangement and facilities were made available.

Since our college is having a decentralized and participative management system with sufficient independence for all staff members of the college, which helps in maintaining and developing better inter-relationships among all departments. The result of this initiative activity was seen in the fact that most of the students enrolled for these courses successfully completed the course and obtained the certificate.

In order to successfully implement this activity, it was decided to implement this activity according to the following stages.

- Appointment of Coordinators: Thereafter, coordinators were appointed by respective HOD's to whom these courses were asked for these courses and it was clarified that they should bear all the expenses incurred for these courses.
- Designing of courses: After the appointment of these coordinators, they designed and developed the curriculum for these courses.
- Action plan: At this stage mode of teaching and exam was decided.
- Execution: At this stage who will teach, allotment of room for teaching according to time table, exam was conducted and distribution of certificates to the students were done. Lastly, the results of this activity were that it was successfully designed, developed and implemented in accordance with the plan.

Day/ Date	Content of Course	Time
6/1/2024 Saturday	<b>Inorganic Chemistry:</b> Study of Periodic table with general Properties	3:30 PM to 5:30 PM (KPS)
7/1/2024	Structure of Atoms, Octet rule, nature of chemical	10:00 AM to 12:00 PM

Sunday	bond, classification of elements,	(KPS)
13/1/2024 Saturday	Acids & Base it's properties, salts & its chemical, physical properties.	3:30 PM to 5:30 PM (KPS)
14/1/2024 Sunday	pH scale, Classification of compounds on the basic of their pH value	10:00 AM to 12:00 PM (KPS)
20/1/2024 Saturday	Lewis dot structure, Quantum numbers, shape of the orbitals s, p, d, f	3:30 PM to 5:30 PM (KPS)
21/1/2024 Sunday	Hybridization of intermolecular/intramolecular compounds	10:00 AM to 12:00 PM (VDI)
27/1/2024 Saturday	Oxidation State and Calculation of oxidation number of metals	3:30 PM to 5:30 PM (VDI)
28/1/2024 Sunday	<b>Organic Chemistry:</b> IUPAC nomenclature of alkane, alkene, alkyne and organic Compounds	10:00 AM to 12:00 PM (VDI)
3/2/2024 Saturday	Writing the structure of organic compounds	3:30 PM to 5:30 PM (VDI)
4/2/2024 Sunday	Functional groups in organic chemistry	10:00 AM to 12:00 PM (VDI)
10/2/2024 Saturday	Inductive effect, electrometric effect, resonance/ mesomeric effect, hyperconjugation	3:30 PM to 5:30 PM (NDD)
11/2/2024 Sunday	Nucleophile and electrophile, Types of reactions	10:00 AM to 12:00 PM (NDD)
17/2/2024 Saturday	Stereochemistry, aromatic compounds, reductions and oxidation.	3:30 PM to 5:30 PM (NDD)
18/2/2024 Sunday	<b>Physical Chemistry:</b> Calculation of molecular weight of compounds, equivalents weight, mole concept, Avogadro's number	10:00 AM to 12:00 PM (NDD)
24/2/2024 Saturday	Calculation of normality, molarity, mole fraction with examples	3:30 PM to 5:30 PM (NDD)
25/2/2024 Sunday	Basic concept of thermodynamics- system, surrounding, types of system	10:00 AM to 12:00 PM (NSS)
2/3/2024 Saturday	Properties of system, state function and Path function	3:30 PM to 5:30 PM (NSS)
3/3/2024 Sunday	Types of process- adiabatic process, isothermal process, isochoric process, isobaric process and their examples	10:00 AM to 12:00 PM (NSS)
11/3/2024 Saturday	Gaseous state- properties of gaseous, Boyle's law, Charle's law, Gay-Lussac law and numericals	3:30 PM to 5:30 PM (NSS)
17/3/2024 Sunday	Ideal gas equations, Derivation of ideal gas and it's numerical	10:00 AM to 12:00 PM (NSS)

KPS: Kiran P. Sable  
NDD: Nityanand D. Dahake

VDI: Vijayanand D. Ingale
