Policy regarding the facilities for persons with disabilities

The college does not have visually challenged persons as of now. As regards the physically challenged persons, the staff and library staff assist the physically challenged person in obtaining materials/ documents. They are given priority while issuing books. As far as visually challenged persons are concerned, they will be advised to take assistance from the blind school and other private charitable institutes.

However, here are the ramps constructed at essential locations for persons with disabilities. NCC volunteers including other students also work in this regard. They help the physical challenged persons to get the services. But there is no such person or student admitted in college during 2023-24 so far.
