Arts & Commerce College
Warvat Bakal Dist. Buldana

The various activities in the institution for inculcating values for being responsible citizens as reflected in the Constitution of India.

Several events were organized at Arts & Commerce College, Warwat Bakal, to instill the values of responsible citizenship as outlined in the Indian Constitution. By incorporating these activities into its curriculum and extracurricular programs, the college effectively fosters principles of responsible citizenship among its students.

The institute has established a cultural committee to organize celebrations of national holidays and commemorate the birth and death anniversaries of notable Indian and international figures. These celebrations aim to promote social harmony, national integrity, universal values, and stronger bonds among stakeholders. The college actively celebrates national occasions such as Republic Day and Independence Day to instill national values and cultivate a spirit of humanity and peace among students.

In addition, the institution observes significant days such as International Women's Day, NSS Day, Army Day, Kargil Victory Day, and Constitution Day. These commemorations help students understand the importance of these events and instill a sense of civic responsibility. On International Women's Day, the college organizes guest lectures, workshops, and seminars to raise awareness.

The college also hosts annual cultural programs to celebrate the birthday of its founder president, offering students an opportunity to showcase their talents in a vibrant and engaging manner. The annual college magazine, *Zep*, serves as a platform for students to express their creativity through poems and articles, encouraging new ideas and perspectives.

Furthermore, the college conducts vaccination and blood donation camps, which are impactful ways to raise awareness about civic responsibilities and community welfare among students.

INTERNATIONAL YOGA DAY 21.06.2023

Celebrating **International Yoga Day** in college can sensitize students and employees to constitutional obligations by:
