## **“Certificate Courses”**

Our college offers seven certificate programs, including: 1. Tally 2. Basic Chemistry 3. Construction and Upkeep of Aquariums 4. Identification and Classification of Plants 5. Banking 6. Improving English Proficiency and 7. Education for Values We only offered one course, Tally, in 2020–21. We added six more in 2021–2022, and they are still going strong. These 35-hour courses are taught by the departments of commerce, chemistry, zoology, botany, economics, English, and history, respectively. These courses were introduced with the intention of improving students' skills and keeping them up to date with professional advancement.

The certificate course practice was initiated with the Tally Course in 2020-21. Later on, from 2021-22 six other courses were offered.

Number of students benefitted during last four years

## **“ZEP”**

Magazines are beneficial because they encourage students to generate original content and foster a writing habit. Students' ability to think creatively is enhanced by it. Without sound judgment, creativity, and thorough subject knowledge, one cannot write.

"ZEP" has always been published on the occasion of the launch of annual cultural events for the past 28 years. The school has been successful in encouraging kids to read and write creatively. Numerous college students have benefited greatly from this approach. Nilesh Ambuskar, Sadanand Ingle, and Devanand Mhaisane, who were once students, have taken an interest in writing poetry. Articles for newspapers and regional publications are written by Kalpana Ingle, Abhaysingh Marode, Siddharth Ingle, and Gajanan Wayzode. Satish Wankhade and Punjab Thakare joined Daily Sakal and Daily Punyanagari as news reporters. Gopal Hage has been contributing to "Agro-One" as a co-editor. This plan so aids in the college's development process.
